NUMBER 26.

WHITESBURG SHAVES TWO
TEAMS TO A FRAZZLE

Whitesburg Boys Win From H. B. I. and Pikeville College With High Scores, While The Girls Lose to The H. B. I. Girls in Last Game of Season.

This past week end the boys and girls basketball teams closed their most successful season in the history of the school. The boys won from H. B. I. 28-24 and from Pikeville 37-29 as the girls dropped their last one after winning six in a row, to the H. B. I. 20-16.

Friday night the teams from H. B. I., to seek revenge for two defeats handed them in Hazard some three weeks ago. The visiting boys were turned up on the short end of a 28-28 count in a slow listless contest. The girls game was the best seen here in some time, the visiting girls finally winning 20-16 and in the last few minutes, Anna Cornett, H. B. I. star forward, got away for two goals, her only score since the first quarter. Back and Combs were put out of the game early and their places were filled splendidly by Collins and Wright. Hart played the best floor game ably assisted by Newsome and Kincer. Anna Cornett, of H. B. I. led the scoring with eleven points to her credit. This was the second meeting of these two teams, the locals having won the first encounter 16-13 in Hazard.

This finished the season for our girls, making the season record eight victories and three losses, the other two losses being to Jackson and Hazard early in the season.

Saturday night the boys closed their most successful season by getting revenge for the defeat handed them when we were in Pikeville. The score of Saturday night's game was 37-29. Getting away at a poor start the Whitesburg boys trailed for three quarters. The score by quarter was 8-7 13-11 24-22 but in the last quarter our boys flashed an offense that couldn't be stopped, piling up 15 points while the visitors were emassing five. Adkins is to be commended for his close guarding after Hall had been put out of the game on fouls in the second quarter. Baker and Wright led the scoring with 14 and 11 points each. Not an individual star could be pointed out for Whitesburg, the whole team playing as a unit.

This ended the boys' season with a record of 13 victories and 4 losses, two of the losses being revenged. The other two were to Hazard. Revenge?

The score follows:
GIRLS' GAME
Wh'burg 16, H. B. I. 20

Returns From South

Major Webb and Edgar Craft returned from a fast fly into the South where Mr. Webb bought a 1127 acre farm in Mississippi. Returning they left Birmingham Ala., at 5:30 A. M. ate dinner in Knoxville and supper in Whitesburg the same day at 6:30 P. M. What would the Letcher County citizen of twenty years ago thought of such rapid transit?

Notice - Teachers

With our issue of the Eagle of today all subscriptions to teachers of the county paid by the County Board of Education for the benefit of the students in the various districts ends. These subscriptions have been sent at a considerable sacrifice on our part and we will be delighted to send the paper on to all teachers at our regular subscription rates provided they will let us know. Otherwise all subscriptions will end.

Will Get Post-Office

"A telegram received from Washington announces that Mrs. Rachel Adams, wife of Arin C. Adams, has been recommended for Postmaster and will receive the appointment.

WHITESBURG YOUTH
NOW A U. S. MARINE

While looking forward to service on land or sea with the U. S. Marines, Otis B. Gibson, of Whitesburg, Ky., will soon complete his preliminary training with the soldiers of the sea at Parris Island, S. C., according to a recent report of enlistments at that training station. Gibson, who is a son of Mr. George Gibson, of Whitesburg, joined the Marine Corps at Cincinnati, O., two or three weeks ago and was sent to Parris Island for training. Within a few weeks he will probably leave for some foreign station, go aboard a naval vessel or be assigned to one of the many duties that fall to the lot of the Marines.

Gibson enlisted for four years, but during this period free educational courses, taught by the Marine Corps Institute, are available to all members of the Corps. Many young men take advantage of these studies and complete their enlistments, especially equipped to take up some trade, art or profession.

Jim Combs, one of Craft's Colly's best citizens, was down and renewed his subscription to the Eagle.

These teams go to the tournament March 1 and 2.

OUR PRESIDENT AND HIS VICE

HERBERT HOOVER AND CHARLES CURTIS

Before another issue of the Eagle flits away to its vast concourse of anxious readers, Calvin Coolidge for near seven and one half years, President of this magnificent land, will take his belongings from the White House and another, Herbert Hoover, will move into the Nation's beautiful palace on Pennsylvania Avenue in the Nation's Capitol, Washington, D. C. Not only will Mr. Hoover do this but he will be inaugurated President of the United States, "the land of the free and the home of the brave".

No man in all the history of this country has succeeded to the head of it's Executive affairs with a better opportunity to make good. There was never a time, maybe, when a stronger arm was more in demand to guide the destiny of our land and country. Every loyal American, regardless of party affiliations, now looks to the big, robust, boyish looking, quiet, philosophical, engineering head of Herbert Hoover to direct the compass of our land through its rough tempestuous seas. It was Woodrow Wilson, of memory revered, who discovered this world's genius and sent him forth to battle with a situation the direst at the time known in history. The Eagle accepts the man. Others may take or reject his politics.

Who will make up his official family is not known at the time this is written. We had hoped that the giant arm of Senator Borah would guide the Attorney Generalship, but it seems that the Senator clings to the notion that he can best serve the Nation in the Senate. We believe that the President will saw out his own cabinet and that in time of it he will not make his coffin, as the late Mr. Harding did. We close our little say with the ardent hope that Herbert Hoover, stormy as the seas are, may lead the Ship of State, indeed the Ship of Nations, with that big fat hand and that he may never allow his eye to lose sight of the needle once.

BADLY HURT

A few days ago Uncle Bill Williams who has carried and managed the mail from the depot to the Post-office for eight or ten years without missing a single day fell while on duty and seriously injured his leg and is now confined to his home here. He is one of the best known men of the city and county.

Yesterday Mr. Williams, accompanied by Brother Enlow and Dow Collins, was taken to Dr. Wright's hospital at Seco for an x-ray examination. His injured leg is in bad shape.

Miss Marion Stamper, daughter of Thomas Stamper of Roxana, arrived here on her way from Chicago, where she is employed, to visit her parents. She was accompanied by Julian Takaraz, a lady friend.

AT THE DANIEL BOONE

This week among the many registered at the Daniel Boone were C. D. Buck, Sam Ward and C. W. Kelly. Hazard; C. G. Schoeffler, A. S. Barnes and C. Finney of Lexington; J. P. Cornett and Bob Otey, Big Stone Gap, Va. C. P. Pearl and O. E. Hubbard, London; R. H. Miller and E. A. Burkhardt, Cincinnati; W. P. Mayo, Prestonsburg, and Ward Brannon of Middlesboro.

I WOULD LIVE HERE

Why do I like my old home town, That small and unknown spot, Where tourists seldom visit and Celebrities come not? Here I have lived since babyhood, Before it became a town, I watched it grow, settled up with it, Loved, married, grew down.

My children go to school today, Where I went long ago, Old friends, old dreams, old memories Surround me here, and though I like to visit other towns, I would live here—your see, No other town could ever seem So much like home to me.

BIGGEST SNOW
SINCE JAN. 1917

Most persons believe that the snow which fell the past week was the deepest known in this country for ten years. In the lower Kentucky valley regions as well as Cumberland valley the depth of the snow ranged from ten to over twenty inches. In our county, however, the average depth probably did not exceed ten inches except high upon the mountains where it was heavier. In January 1917, according to the Eagle of that date Mose Adams, residing near the base of Pine Creek reported the snow to be 28 inches the deepest he had ever seen.

Attorney Lewis Harvie was a business visitor in Harlan.

PROBABLY ?

Asland, Ky., Feb. 21, 1929 Judge Kelly Fields, Whitesburg, Ky.,

Dear Friend Kelly:— Reading the press reports in one of our cosmopolitan newspapers, I note that one of your friends thought they needed a ham, hence they proceeded to borrow one from your precious fastidious dainty smokehouse, and that the good-natured Judge Fields, believes that the borrower will return the luxurious ham as soon as he kills his own hogs, providing he has hogs to kill. Fine Judge, very fine!

Fraternally yours, Col. Samuel Pascoe Attorney Harry Moore is in Frankfort on official business this week.

CONFIDENCE

Lord Nelson standing on the deck of his ship just before one of the world's greatest naval battles said, England expects every man to do his duty. Whitesburg imposing the utmost confidence in its High School basketball team and stand on deck with tense muscles, like the noted Nelson expects its teams to bring victories to them in the coming tournaments.

Leaves For Florida

Sunday morning, Cashier Jas. M. Day, of the First National Bank, Mrs. Thelma Day and little grand-son J. B. Day, left for Florida where they will spend two or three weeks with Mrs. Susan Day and her son, Erceel, who have already spent several weeks in the Southland.

News Advertising

This week's Eagle is crowded with good Advertising News. Where dollars and cents can be saved is certainly good news to our people. Read what the Hogg Drug Company, The A. & P. and others have to offer, then look at the big announcing page of The Leader Stores at Neon and East Jenkins. These are two of the stores that bring the latest New York and Paris fashions and styles right to your doors. After studying these look all over the Eagle and see what numbers of other business people are saying.

Held Without Bond

The examining trial of Martin Craft charged with the murder of Deputy Sheriff W. H. Carter was held before Judge Bentley last Friday. The defense offered no testimony and Craft was held without bond to await action of the May Grand Jury.

BIG HORSE ADDITION

An eighty page edition of the fifth International Thoroughbred and Live Stock Edition of the Lexington Herald has been received by the Eagle. A study of its contents convinces us that this is the completest edition of any sporting and live-stock news paper ever issued by this alert publication or any other ever issued in the state. Brother Bob Brickenridge, who never sleeps as long as there is a horse to run or a foot to chase, seems to have put most of the spice and ginger into the edition. Imbued with a lot of old time Kentucky Chivalry he has to have some place to distribute his mint and ginger.

TAKES OWN LIFE

Budine, Ky., Feb. 25—Willard Hunt, working with road contractors just below here, shot himself through the head today killing himself instantly. It is said that he had been worrying several days over some embarrassing cases to come up soon for trial in court in Pike County. He was intoxicated when he performed the rash act. He leaves a wife and two children. Mrs. John Bentley of this section was his sister.

Monticello, Wayne County suffered a \$250,000 loss by fire early in the week. Nearly the entire business section of the town was destroyed.

CHILDS HEALTH CONFERENCE TO BE HELD

Is your child underweight? Does he seem weak and under nourished? Is he indispensed, not playful, appetite poor, or in any other way not normal? If so bring him to our health conference and let us determine and advise for you as to conditions. We want all children under school age to attend this conference.

It will be held in the Health Department office in Whitesburg on Friday, March 8th.

WEEKLY HAPPENINGS
OF LETCHER COUNTY

Carcassonne News

(Last Week's News)

Dorothy Bradley, a member of the school orchestra, is the proud owner of a new "UKE".

The Carcassonne Orchestra plan to visit Dewey Field's school on Elk Creek next Friday.

"Resolved that, FOR THE SAME OR EQUAL QUANTITY AND QUALITY OF WORK, WOMEN SHOULD RECEIVE THE SAME PAY AS MEN". The above subject was the theme of a spirited discussion between the boys and girls of the Problems of Democracy Class on Friday of last week.

After being out of school for some time Noah Campbell returned to his school duties this week. Noah was unfortunate enough to have a case of pneumonia following his attack of influenza.

JONES—Say John, give me a chew of tobacco, will you?

JOHN—Sure. Do you want some? I know it is good or some I think is good?

JONES—Why, some you know is good, of course.

JOHN—Alright, take this chew out to be ready for use next term, will it?

of my mouth. I know it is good.

JONES—Er-ah-er. No thanks. Verma Dixon is out of school this week on account of the illness of her mother.

Both Miss Hopkins and Miss Dunbar have been ill this week.

Most of the students have helped Mr. Hadley move into the new home "Sunrise" this week.

Prof. and Mrs. Hadley and Dixie Hadley accompanied the girls to Stuart Robinson school for a basketball game last Friday.

Our boys will go to Vico for a game February 22nd.

Carson Caudill is staying at home this week entertaining the "numps".

The chapel leaders for the week were: Roy Combs, James Beck, Herbert Combs, Jimmie Caudill and Lester Branson.

Carcassonne sponsors another progressive movement—the subject of Prof. Hadley's talk before the Chapel Group on Monday. In this talk it was revealed that plans have been made and the lumber is now being sawed for CARCASSONNE'S COMMUNITY HOUSE AND GYMNASIUM. This building which is expected to be ready for use next term, will

provide a 74x40 basketball court and will make it possible for us to practice every day instead of once or twice a month.

HAYMOND SCHOOL
CELEBRATES FEB. 22

February 22

This is the birthday of the world's greatest man—George Washington. Let us drink this day from the pur-christal fountain of his noble character.

These words were on the black-board all the forenoon, as the regular routine of school work went on.

Afternoon the school assembled in the chapel and the following program was rendered:

1. Song America
2. Washington's Maxims, by twenty-six pupils.
"Think before you speak."
"Never speak ill of the absent."

"Better be alone than in had company." Never promise more than you can perform."
"Labor to keep alive in your breast that little spark of celestial fire, called conscience", etc.

3. Song—The Cherry Tree, by the

school.

4. Washington as a boy, a composition read by Minnie Lee Kiser.

5. Washington as a youth, a composition read by Cleo Parish and Roy Mullins.

6. Washington the General, A composition read by Mamie Lee Bellamy.

7. Remarks by Mr. Harris on "Washington, the unselfish".

8. Song—America's Beautiful Flag, by school.

9. Sacred Songs—"Sweet by and by" and "You will outshine the sun"

10. A grand march by the school led by "Old Glory".

The children enjoyed the exercises. They like to sing and they do sing well. They like to speak and they recite and declaim well. They expect to give some programs before the close of school.

Waynesburg News

All the Letcher County people around here, so far as I have heard, and there are nests of them, are in usual health and hustling about, even tho' some of them are chasing rabbits and rainbows.

After a two month's stay with her

sick daughter, Mrs. Brown in Cincinnati, Mrs. Lizzie Webb has returned to her home here. She says that from all appearances, Mrs. Brown is on her way to recovery having undergone a serious operation.

J. H. Brown who resides in our neighborhood has been very busy for some time assisting Sam T. Webb in caring for his farm products and milk ing his cows.

J. A. Boggs who has been a very sick man is now on the way to recovery.

Some of our citizens were out at Waynesburg today looking over Floyd Stanner's creamery.

Leland Webb and other tobacco growers around here are preparing their tobacco beds and will sow as soon as the weather will permit.

We often think of our friends in Old Letcher and trust all are doing well.—Letcherite.

Turkey Creek News

On March 16th, our school will end. No better term of school was ever taught on our creek. We all regret to see school close, but the best of friends have to part. Still in a way we are glad to know that within a few

days we can go to work in our corn fields. Spring will soon be here.

We are planning to give a short farewell program on the last day of school and will welcome all who meet us on that day.

Our teacher says that Turkey Creek begins now to seem like home to her. Grant Smith is proving to be our champion fur catcher this winter. He has caught already \$150. worth of nice hides.

Kingdom Come News

Our community and school was saddened Friday evening about three o'clock by the death of Mr. Grant Nolan. He was our nearest neighbor and always a willing helper of the school in any way that was in his power.

Bob Frazier, one of our Freshmen students, left school two weeks ago and joined the army. We were all sorry to have him leave us.

Bishop, Theodore Henderson of Ohio, died last Monday from pneumonia. He was one of the leading men of our school and greatly interested in mountain people. We are all very sorry to have to give up such friends as he was.

Two of our teachers Misses Judy and Earnhart were sadly surprised when they returned from a visit to Chevrolet Sunday to Cumberland to find Mr. Nolan had died. They attended the funeral services at the Cumberland Methodist Church Sunday afternoon.

MAKES REQUEST

Stephen Caudill, one of our arranged candidates for Sheriff, requests us to state that he has been a Republican all his life and in State and National elections has never voted any other way.

On our own part we have always known him as a Republican tho' many of his close relatives are Democrats.

After an absence of several weeks on official business, Enforcement officer, Clark Day was here a few days with his family. It is not necessary for us to say that Mr. Day stands high in the official Prohibition Enforcement service.

Mrs. R. Dean Squires,

 Entered as second class matter August 28, 1907, at postoffice at Whitesburg  
 Kentucky, under Act of Congress of August 3, 1973

Marshall Foch whose name resounded around the world during the World's War is now reported at death's door. He is nearing his 78th year.

Well, it looks like Col. Wm. J. Donovan, of New York, a Catholic and reputed to be "dripping wet", is to be a member of President Hoover's cabinet. In printing this news item we do not mean any criticism for Mr. Hoover in selecting Mr. Donovan as head of his War Portfolio, but some people did howl so loudly last fall when a "Catholic and wet" was mentioned. Politics generally strains at gnats and swallows elephants.

## TWO NEW CANDIDATES

Two new candidates appear this week upon the political horizon of our county. Both are well known men. The one is Henry R. Yonts, present Tax Commissioner, to succeed himself and the other is Marion Frazier who aspires to be Justice of the Peace in Blackey district. The record of Mr. Yonts as an official of our county is already written and is well known to our citizens. He needs no introduction to them. They have only to think whether he has pursued the right course or the wrong one. That we leave to them to judge. Mr. Frazier has long been one of the best known and highly regarded citizens of the lower

river section. The people there know him well. We commend both of these candidates to the careful scrutiny of our voters.

## Stuart Robinson School

There are three recent additions to our dormitory family—Christine Syron, whose parents moved to Elsie, a short time ago, Kenneth Tate, of Corbinville, and Charles West of Marietta Georgia. Prof Miller and son Mr. Donald West and Hiram Hogg accompanied Charles from Lincoln Memorial University Saturday, remaining until Sunday morning with us. M. D. D. Tate came up from Corbinville with his son Sunday morning and was our guest for the day.

Mrs. W. L. Cooper, Jr., and W. D. Lewis, Misses Patterson, Ervin, Foster, Bird, Gray and Crawford and Master Billy Cooper attended the all day meeting of the Blackey Circle of the Woman's Auxiliary Monday.

The Honor Club students were entertained at a lovely Washington's Birthday party on the evening of the twenty-second. They and also the teachers who acted as chaperons were dressed in beautiful old-fashioned costumes, the girls being resplendent in fillets, laces, hoopskirts and croqueted powdered curls while the boys looked quite like gentlemen of the colonial period with their knee breeches and white wigs. The dining room where the party was given was made very attractive with flags and bunting and at one end of the room there was a splendid imitation of a big open fire place with a realistic fire glowing between the andirons. The electric lights were softened by dainty white crepe paper shades on which were painted bunches of cherries and green leaves. There were an especially pretty feature of the decorations. The Washington's Birthday idea was carried out in all the games and contests and in the refreshments. Next day the young people again donned their colonial costumes and had several snapshots made of the group.

School will be dismissed for the Spring holidays Thursday afternoon, February 28, the vacation will last until Monday afternoon.

## Get Up In The Morning Feeling DIZZY

"I began to suffer with headaches and biliousness," says Mrs. John C. Malone, of Buena Vista, Ohio. "I had a hurting through the middle part of my body which seemed to come from indigestion. I would get up in the morning feeling dizzy, and everything I ate would disagree with me. 'Someone asked me why I did not try Black-Draught. I found it to be just the medicine I needed. When I feel a spell coming on, I begin by taking a dose of Black-Draught, day or night, continue to take it for several days, and in a short while I am feeling fine. It is all the medicine I need.' ## ANNOUNCEMENT

In view of the confidence manifested in me four years ago, as

a candidate for the office of

County Court Clerk, and at the solicitation of friends that I again offer myself for the office,

I hereby announce myself as a candidate for the office of Clerk of Letcher County, subject to the action of the Republican Party at the August Primary 1929.

In recent years women have taken an active part and shown an intelligent interest in the administration of public affairs, and it seems but fair that in recognition of that interest, a woman should be given an opportunity to serve in public office.

The duties of the clerk's office being chiefly clerical I feel that with my experience as a deputy clerk in that office for ten years and general clerical experience for seventeen years, that if selected for the office I could render the citizens of Letcher County a faithful and efficient service.

I hope to see each of you in person before the election, and solicit your support and assistance in my campaign. Thanking

you for past favors, I am,

Respectfully yours,

Amanda Gibson

## FOR JUSTICE OF THE PEACE

To the voters of Magisterial District No. 7. I have concluded to announce myself a candidate for Justice of the Peace in your District. I am a Democrat and will have to be nominated by my party. I ask the help of all those as well as the help of all my other friends.

Four years ago I was a candidate for this same nomination and was duly nominated but being a working man I failed to file my nomination papers in time to get on the ballot. Nominate me this time and I will win in November. You all know I will make you a faithful and true official. Believing you will all rally to my support, I am,

Respectfully

A. C. Spangler

Thornton, Ky. Feb. 7th, 1929.
